**Homecoming Held.**  
The homecoming meeting held Tuesday evening by Blue Corps No. 5 and Blue Post No. 250 was unusually enjoyable and was well attended. The meeting was more in the nature of a campfire, and the program was followed by reminiscences by the old soldiers present. Mrs. Chidich reported on the financial condition of the W. R. C. and upon its excellent work during the year. The following program was given: Song, "America," by the entire company present; prayer, Comrade Musson; song, "Mr. and Mrs. H. E. Brownell, Mrs. C. T. Robinson and Mrs. Musson; reading, Mrs. Roth; address by Past Assistant Adjutant General, response by Mrs. Coburn, the only charter member of No. 5 now living; song by Mrs. Brownell and Mrs. Musson; short talks by members. After the program refreshments were served and a social time ensued.

The high stage of the river is a source of small worry to North Side residents. In fact the majority are glad to see the banks washed clean of rubbish and drift. For a time this morning the west rail of the bridge was lined with people watching the river. Few North Siders were among them, however.

Mr. F. P. Elmore states that an error was made in last evening's paper in stating that Mr. A. V. Lindell had held the position of cashier in the Shawnee State bank.
